God's Spirit Changing Lives

Camp Manitoqua is amazing for kids of ALL types. The autonomy, outdoors, and fun they have really makes it feel like a summer "home" more than a camp. :)

-Dalina

Very caring and supportive counselors who are Christ centered. She gets the freedom to be alone and roam with her friends that she craves, and I have the comfort of knowing she is in a safe place to do such. Camp is definitely the highlight of my daughter's summer!

-Megan

It was Faye's FIRST time away from home for an extended amount of time. She LOVED her overnight camp experience. She was able to make new friends and try new activities that she wouldn't typically try at home. She is already talking about returning next year!

The opportunities for ministry and the positive impact Camp Manitoqua has are Limitless!

According to an article by Barna Group, "The younger the generation, the more likely they are to report negative emotional experiences" (Barna, 2025). Camp Manitoqua offers the exception, and has limitless opportunities to continue to share the light of Christ in the community and offer a positive experience for both campers and their families!

According to the survey in the Barna article:

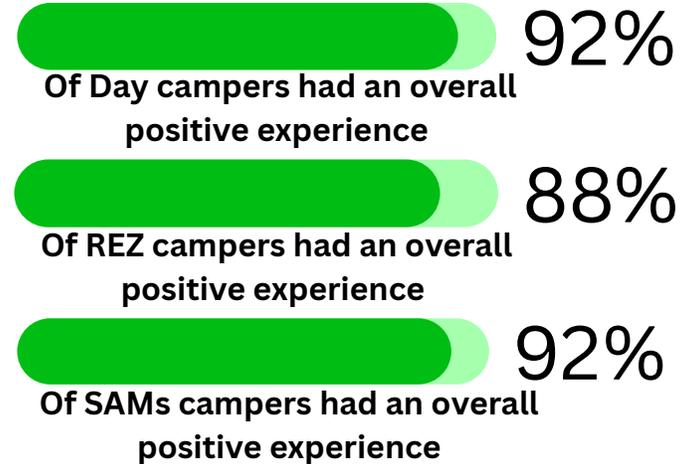

It is not just Gen Z and younger generations that are feeling this way! Barna states that parents are "...individuals navigating significant emotional strain themselves." (Barna, 2025).

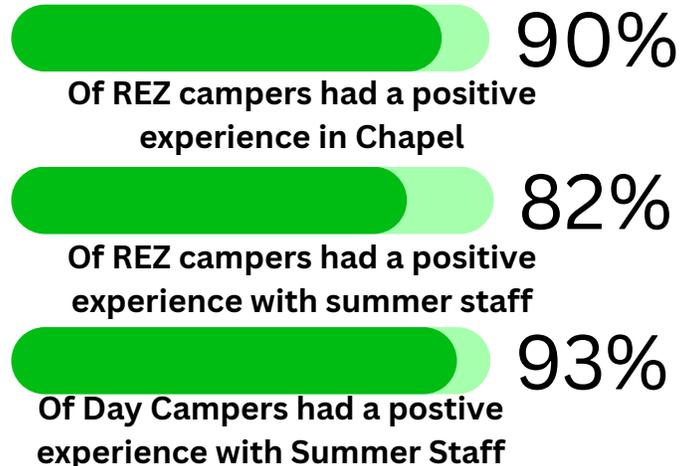

Research on how parents can support teens' mental health. Barna Group. (2025, September 22).

According to camper parents that filled out our end of summer evaluation:

"Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand."
Isaiah 41:10

Camp Manitoqua wants to care for campers and their families by sharing Christ in everything we do! We want to remind families that they have been fearfully and wonderfully made and God gives us the amazing gift of grace and forgiveness through faith in Jesus Christ!
