

# Invitation

This Global Impact Celebration, how is God inviting you to love your neighbor who may live next door, work with you, or be another parent on a kid's team? Take time to pray about tangible commitments you can make to love our neighbors well.

## PRAYER COMMITMENTS

☐ For the month of February (and hopefully beyond), I commit to pray daily for a "neighbor" in my life who does not yet follow Jesus. I will also consider how the Gospel is specifically good news for them.

Their first name is: \_\_\_\_\_

☐ I will commit to pray for our local and global mission partners (using the provided prayer card) on a regular basis. What will your rhythm be? Weekly at a specific time? Monthly? Etc.

Commit to a rhythm: \_\_\_\_\_

☐ I would like to stay connected with our mission partners however they give regular updates. Let us know so we can follow up with specific instructions and help.

## HOSPITALITY COMMITMENT

☐ Before Easter, I commit to practice hospitality (e.g. - share a meal or coffee) with a neighbor (or household) who needs the good news of Jesus.
