MISSIONARY SPOTLIGHT

SERMON NOTES

CARLOS AND LORI MONTOYA HONDURAS

Church Strengthening / Leadership
Development

Carlos serves the Lord at Evangelical Ministries of the Americas (MEDA). MEDA is a teaching center that provides a seminary for expository preaching (SEPE) and conferences on a variety of topics that equip both men and women for ministry. Carlos is the president of MEDA Ministries, a resident professor, and a speaker. He is deeply committed to upholding the sufficiency of God's Word in expository preaching and the centrality of the local church. He is currently an elder at Bethany Baptist Church in Siguatepeque, Honduras. Carlos and his wife, Lori, have seven children.

The Bethany Clinic

The Bethany Clinic is a ministry of Bethany Baptist Church located in Siguatepeque, Honduras. The clinic provides low-cost medical care in one of the poorest areas of the city. The clinic serves two purposes:

➡ It exists as a ministry of consolation to church members (1 Corinthians 14:3), addressing not only their physical needs but also providing support through the words of Scripture.

➡ It serves as an evangelistic tool to reach the community for Christ. While patients are being treated, we take the opportunity to proclaim the gospel of God to them, explaining that true hope can only be found in Christ Jesus, who healed us spiritually by giving us new life (2 Corinthians 5:17) and the forgiveness of sins (Ephesians 1:7).
