MISSIONARY SPOTLIGHT

JOHN & MEG GLASS
SWITZERLAND

Church Planting and Development

After 22 years as missionaries in France, and 12 of those years where John served as pastor in Geneva (his home-town), John and Meg have started a new International French-speaking church in Geneva, Switzerland, the Eglise Evangélique Internationale de Genève (www.eeig.ch).

Ministry Objective

To start a vibrant, International French-speaking independent Bible Church in Geneva, Switzerland, where Expository Preaching is promoted, and with goals of seeing other reproducing churches spawned off from this church in the years to come.
