

A Light for My Path | Psalm 1

December 26, 2021

How do you fit Bible reading into your life? What is your attitude toward reading the Bible?

Read Psalm 1

How does reading the Bible affect you?

Why is Bible reading so important?

Read Luke 24:44-47. How much of the Old Testament is about Jesus? What are some of the OT passages about Jesus?

How has the Bible given you clarity about decisions you have made in the past?

Personal Application

If you have not spent time reading the Bible, why?

Have you read the Bible from Genesis to Revelation? If not, make a commitment to read all the Bible (which is about three pages a day).

Our Prayers

Pray that the Word of God will be active and powerful in your life.
