

Beyond the Outskirts of God's Ways | Job 25-27

November 6, 2022

How has your view of God changed with the study of Job?

Read Job 25.

What is Bildad's view of God?

Where is this view supported in Scripture?

What is so wrong about what Bildad is saying?

How does scripture prove Bildad is wrong?

Read Job 26.

What is Job's response to Bildad?

What is Job's understanding of God?

How is the Gospel the core of understanding who God is?

Application

The deeper your thoughts about God, the simpler the world becomes to you. The shallower your thoughts about God, the more confusing the world will be.

What are some different angles to consider when facing great suffering?

What is the benefit of thinking more deeply about God when we cannot understand the difficulties around us?

Prayer

Help me worship you LORD for who you are.

Help me to delve into Your word to know more of Your ways, which are higher than ours.
