Do you ever think the world is “out of order?” Why?

What is the theme of Job?

Read Job 1:1-4.

How do these verses describe Job’s moral character?

What was the result of this lifestyle?

What does Job 1-3 say about God’s sovereignty over His creation?

How much of the book of Job is taken up with the dialog between Job and his friends?

Read Job 4:1-7, 18:2-4

Summarize the basic argument of Job’s friends.

In chapters 38-42, who has the final word?

Application

Without Christ, why would the book of Job lead to moralism?

Can a man truly be without sin?

Do any of us deserve another breath in our lungs?

What happened to the only sinless man? How does that seem out of order?

In all our suffering, what can we cling to?

Prayer

My heart's desire is to know You more and to be found in You and known as Yours.

May I know the power of Your risen life and know You in your sufferings.
