

Christ is the Key | Cal Stack | Acts 17:1-15

September 24, 2023

Who opens the minds of people to understand the Scriptures? (Read Luke 24:44.)

What scriptures did the early church preach Christ from?

Read Acts 17:1-4.

Whom did Paul go to first to preach the gospel?

Why did he reach out to this group first?

What did Paul preach to these people?

What scripture would you have used to preach about Christ?

What were the responses of the people? (**Read Acts 17:5-11.**)

Application:

Have you ever read the Bible from cover to cover?

How would it benefit you to read the Bible from cover to cover?

How would your understanding of the Old Testament deliverances change if you were committed to seeing how they pointed to Christ?

If Christ is at the center, if he's on his throne, if he's working in me by his Spirit, how does he want me to respond to life around me instead of focusing on myself?

Prayer:

Lord, help me to see how the bigger picture of scripture points to you and your plan to rescue people.

May I help others see Christ more clearly.

Help me to focus on Christ and your kingdom this week.
