

## Christ is There for Us | Acts 6:8-7:60

July 2, 2023

### Read Acts 6:8-15.

Describe the setting for this episode: the place, the main characters, and their actions.

What was the point of Stephen rehearsing the history of Israel and their worship of God in various places in his address to the council?

Where is the true dwelling of God?

Why is it so important that other believers know that Stephen saw Christ standing at the right hand of God?

**Read Hebrews 9:24, Ephesians 1:19-21, and Romans 8:34.** What is Christ doing for us?

What hope do these truths offer that you are thankful for?

### Application:

Give a description of current events. How does 'Christ being there for us' help?

According to Colossians 3:1-2, what should be the focus of the Christian life?

What keeps people from believing in Jesus today despite all the evidence?

How can we apply Stephen's last words in Acts 7:60?

### Prayer:

Help me to remember that you, Christ, are always there for me.

Please open the eyes of those unbelievers I know to see Your glory and seek forgiveness of sins.
