

Christ More Accurately | Nathan Loudin | Acts 18:24-28

October 22, 2023

How has your understanding of Christ changed in the years since you have been saved?

How do most people respond to correction?

Read Acts 18:24-28

Who was Apollos, and what was he doing?

What is the difference between a heretic and a misinformed believer?

Who were Priscilla and Aquila, and what did they do?

How did Apollos receive correction, and how did his message change in verse 25 compared with verse 28?

Application:

How should we as believers accept correction?

Who can provide correction in our lives?

How can correction be good for us? (See II Timothy 3:16-17.)

What are ways that we can learn more about Christ?

How would you use the OT to prove Jesus is the Messiah?
