

## Conversion: Baptism of the Spirit | Acts 9:32-11:18

July 23, 2023

Do you think people can change?

Why is conversion so offensive to society?

### Read Acts 10.

Who are the individuals in this narrative? Describe their backgrounds and beliefs.

How did God work in each individual's life?

What was evidence of God's salvation in the Gentiles' lives?

What role does the Holy Spirit play in salvation, and why is He important?

When Peter reported to the church in Jerusalem, what did he say that convinced the Jewish believers that the Gentiles were saved?

### Application

What does it mean to be converted?

Give scriptural examples of God's plan of conversion from the prophets, Jesus, and the apostles.

How do you respond to the following?

1. I don't feel converted.
2. Some people are certain they are converted, but it makes no difference in their life.

### Prayer:

Praise belongs to you, God, for your power of conversion by the Holy Spirit!

May the Holy Spirit enlighten the eyes and bring true conversion to those we share the gospel with.
