

## Generous Giving | Acts 2:45

May 7, 2023

What are your economic expectations?

**Read Acts 2:42-45.**

What effect did the Spirit have on the new believers?

Name the ways these verses are a fulfillment of the biblical ideals for God's people.

Give examples of how Israel failed repeatedly to keep these ideals.

Tell why generosity toward other believers is a sign of what a true Christian is.

Mention some of the ways God is generous to mankind.

What is mankind's response to God's generosity?

### **Application:**

What should your attitude be towards money?

How does the gospel free us from greed?

What should the church's response be to fellow Christians who are in need?

### **Prayer**

Lord, forgive us of greediness, and help us to be generous to each other.

Lord, help us to give towards your kingdom in sacrificial ways even though this doesn't make sense to the world.
