

God Graciously Gives us Heaven Through Christ | Job 42:7-17

December 18, 2022

Have the letters and emails you have been receiving this holiday season make you feel pressured about giving more to others?

How is this holiday about receiving instead of giving?

Read Job 42:7.

Give examples to back up why God says Job is justified.

Give examples of Christ being justified before God.

Read Job 42:8-9.

What did God tell Job and his friends to do and why?

What did Christ do for us, and what is He now doing for us?

Read Job 42:10, 11.

Describe the events that happened in Job's life.

What has Christ done for our relationship with all believers?

Why is our Christian family so important?

Application – In relation to the sermon, discuss the following:

Be patient, child.

Fear God, keep His commandments: He is absolutely wise, powerful, sovereign, and free.

God is the giver.

Prayer

Lord, thank you for Christ, Your indescribable gift.

Help me to appreciate my fellow believers as the family you have given me.
