

## **God's Plan: Accomplished | Acts 2:14-24**

March 12, 2023

What do we need saved from?

Why do we get excited about being saved from things we don't need saving from?

**Read Acts 2:17-18 Joel 2:28-32.**

How are these two passages related? How does that relate to Peter's defense when they accused the men of drunkenness?

**Read Acts 2:19-20, 22.**

When were these wonders displayed?

**Read Acts 2:23, Ephesians 1:7-10.**

How do we know that Christ's death did not catch God by surprise?

Who were the participants in God's plan of salvation?

**Read Acts 2:24.**

How did God accomplish his plan?

### **Application**

In what ways does God's salvation amaze you?

### **Prayer**

God, I am amazed at the undeserved, eternal salvation you have provided for me!

May we love your word and confess sin so that we may be amazed at the priceless gift you freely gave us.
