

## God's Providential Care for the Church| Acts 11:19-30

July 30, 2023

What are some of your greatest concerns that you have had in the past? What came of them?

### **Read Acts 11:19-30.**

Describe the city of Antioch and the church that was started there.

In Acts 11:28-30, what was Agabus' prophecy?

What was the Antioch church's response, and why was this so extraordinary?

### **Application**

Describe the omniscience of God with examples from the Bible, and why is it so important?

How do the following verses describe God's care? (Isaiah 49:8-15, Matthew 6:25-33)

### **Read Romans 8:32-35, Matthew 6:25-34.**

What do these verses tell us about God's provision?

How are we as a church to be a part of God's plan of provision, and what three groups are we to help?

### **Prayer:**

Lord, help us as a church, to be ready to cheerfully give to other believers in time of need.

May I not be anxious about Your provision, Lord, remembering that You have provided me with your great salvation through your Son.
