November 13, 2022

From last week, what are the one of three things that Job's "jury" could decide?

Read Job 27:6.

What is Job's defense?

Read Job 27:4-5, Job 27:6, Job 31:1, 13, 16, 21, 29

What three righteous things does Job hold to?

Self-righteousness will be evident in the following ways. Please discuss how they show up in our lives.

1. Defining righteousness by comfort or suffering.
2. Self-righteousness refuses be examined by God or man.
3. Self-righteousness will look good on outside but be dead on inside.
4. Ad hominem responses.
5. Define your righteousness by comparing yourself to others.
6. Define righteousness by comparing your good works to your bad works.
7. Deflect being called unrighteous by becoming the victim.
8. Self-righteousness will purposefully maintain sin.
9. Self-righteousness will hate brothers and sisters.
10. The gospel is boring.

Application

Prayer

Help me to be aware of self-righteousness in my own life and confess it.
