

Who Is Jesus?

Jesus is Alive | 1 Corinthians 15

April 17, 2022

Maybe you have wondered lately if anything matters. What really matters? Who cares? Does everything seem vain?

The Word

Read 1 Corinthians 15:12-19.

Why do people not believe in the resurrection?

What is Paul's response to those who do not believe in the resurrection?

Why were the early Christians so bold in their witness?

Why is the resurrection so important to our faith?

Personal Application

What difference does the resurrection make when we face trials in our life?

What difference does the resurrection make when we face death?

How do you think you are getting to heaven?

Our Prayers

Lord, thank you for the hope of the resurrection.

May the hope of the resurrection help in my evangelism.
