Personal Application

James says, "Friendship with the world is enmity with God." How do you love the world, give in to its temptations, and get entangled with its business? Would you mourn if you lost everything in an instant?

Are you preparing those around you for death? Are you seeking their salvation? Are you seeking to mature them in Christ? Are you taking the small, but eternally significant, step of praying for them?

Our Prayers

That we would seek first the kingdom of God and His righteousness.

May we pray for unbelieving family members, neighbors, and government leaders to acknowledge God and turn to Christ before they face God's final judgment.
