

Learning to Live in God's Providence | Nathan Loudin | Acts 16-

20

October 15, 2023

Do you have plans for the next day, week, month, year, 5 years, 10 years, or retirement? If so, how do you go about planning?

Read Psalm 33:10-11. What do these verses tell us about God's plans?

Define divine providence and its impact on our lives.

From Acts 16-20, list all the ways Paul used to decide what region and city to go to next.

What benefits came from the difficulties Paul faced?

Application:

How is God's providence centered in salvation by Christ? (See Ephesians 1:7-10.)

When you consider God's purpose in Christ, how should the love of God in the gospel affect your daily life?

Although we make plans for our lives, how can God's plans with the gospel remain our focus?

How should you make plans for tomorrow, next week, next month, next year, the next 10 years, and retirement?

Prayer:

Lord, help me to live out the love of God by spreading the gospel.

May I trust your providential interruptions to my schedule as your gospel-centered plans in Christ.
