

Souls Added | Acts 2:40, 41

April 9, 2023

What consumes your thinking all day, every day - the climate, the economy, retirement plans, your health, government, war or avoidance of war?

Read Luke 12:13-21.

What is a soul, and how important is it?

Read Acts 2:40, 41.

What does this mean, “And with many other words he bore witness ...”? (1 John 1:1-3; 2 Peter 1:16)

Why is this witness so important?

What does it mean when Peter exhorted the hearers?

Give reasons for baptism, what it means, why is it important and what it does for a believer.

How is church membership similar to having a passport?

Application

What would your response be if the Lord said, “This night your soul is required of you.”

Do you believe the witness of the apostles?

Have you exhorted people with the gospel?

When Lee Strobel invited a non-believer to come to church, how was that story an encouragement to you?

Prayer

Lord, help me to be a witness for you and exhort others to believe you.
