

The Enemies and the Wisdom of the Gospel | Job 27-28

November 20, 2022

Why cannot born-again believers be your enemies?

Who are our enemies?

Read Job 27:7-12.

What is Job getting at in these verses?

Read Romans 5:6-11, James 4:1-4, and Colossians 1:13, 14, 21, 22.

Describe who is an enemy of God and the significance of the righteous death of Christ.

Read Job 28:28, Proverbs 1:7, Ecclesiastes 12:13,14, and Psalm 47:1,2.

How do we find wisdom?

Application

Amid our anxiety, doubt, and suffering, how can our hearts be calmed?

When we fear our enemies, what does that say about us?

Read Romans 2:4, 5.

How did God treat His enemies?

Read Romans 12:9-21.

How are we to treat our enemies?

Who is control of the world around us? How should we respond?

Prayer

Help me fear you, LORD, more than the world around me.

Help me to obey Your commands and keep them.
