March 19, 2023

What is the purpose of preaching?

Describe a good sermon.

**Read Acts 2:25-33, Psalm 16:8-11.**

How are these two passages related?

What did Peter point out about this passage?

Who is the central person in Psalm 16 and how does this Psalm relate to David and Christ?

Why is the resurrection so important in this first message preached by Peter?

Describe redemptive history prior to the resurrection and post resurrection.

### **Application**

**Read Luke 24:25-27.**

Whom should we look for when we read the Old Testament? How can we do this?

What difference does the resurrection of Christ make in our lives?

### **Prayer**

May You, Lord, help us to understand all that the resurrection means to us as Christians.
