

The Wrath of the Lamb and the Security of the Saints | Revelation 6-20

September 26, 2021

Read Matthew 24:36-42; Acts 1:6-8

What were the disciples curious about? How did Christ answer their question?

Context matters, so how would a 1st century Christian have understood Revelation 6-20? How does this affect your understanding of Revelation, and why is this so important?

From the sermon, are the events in Revelation 6-20 sequential or the same events? Give a reason for your answer.

What are the two reoccurring themes in Revelation 6-20? Compare chapter 6 with 7:9-17; chapter 13:1-9 with 13:10; chapter 14: 9-11 with 14:12.

Personal Application

The word *soon* occurs 8 times in Revelation. Five of those are in reference to Christ's return and the others are in reference to the events of Revelation. How does this affect how we approach our main mission while waiting for the return of Christ?

How can we endure during our present situation?

Our Prayers

Read 2 Thessalonians 3:1-5. What are we to pray for from this passage?

How should we pray considering the current economic and political environment? What are Christians facing in the US and the world that we should be praying about?

Share with each other where you need endurance the most.
