

## Two Paths: Wisdom and Folly | Proverbs 2

July 3, 2022

How do you decide what coffee to purchase, what groceries to purchase, when to go to bed, or when to get up?

How do you decide what car to purchase, where to live, what job to take, where to go to college or whether you should go to college?

### **Read Proverb 2:1-5.**

Where does the search for true wisdom always lead?

Count the word 'if' in this passage. What do they tell us about our search for wisdom?

How does the wisdom of this world differ from godly wisdom?

### **Read Proverbs 2:6-9.**

What happens when you walk with God?

What is God really concerned about in our lives?

### **Application**

How do you know that the decisions you make are in God's will?

### **Prayer**

In every decision I make, may my heart be attentive to You, God.

Guard my path from evil and wicked paths as I walk with you.
