October 29, 2023

How is the holiness of God displayed and contrasted in Leviticus 9:22-24 and 10:1-3? How are these passages similar?

Read Leviticus 11:1-8, 41-47 – 12:8.

List what would cause a person to be unclean. Who was to keep these dietary and washing laws? Does the purity of the common person matter to God?

Why would a person want to be clean?

Could a person avoid being unclean?

How long was a person unclean?

What is God's solution for people who became unclean?

Application:

According to Mark 7:18-23, what makes us unclean?

How are Leviticus 11:36 and what Jesus said in John 7:37-39 connected?

Read 1 Peter 1:13-19 and Titus 3:5. How can we daily live holy lives?

Prayer:

Lord, help me to live a holy life to your glory.

May I see unholiness in my life and confess and forsake sin by your grace.
