

## What Causes Quarrels | James 4:1-10

February 5, 2023

Think about the last conflict you had with another person. What caused that conflict to happen?

### **Read James 4:1-10.**

What was James accusing the believer of?

What is the cause of quarreling?

How do you and I commit spiritual adultery?

How is adultery different than idolatry?

What happens to a person's spiritual life when they commit spiritual adultery?

Describe God's feelings when we commit spiritual adultery.

### **Application**

How do your desires differ from the unbelievers around you?

What does God feel about your loyalties?

### **Re-read James 4:6-10.**

Give God's response to our spiritual adultery.

What should our response be to our spiritual adultery?

### **Prayer**

Lord, help me through your grace to repent and overcome spiritual adultery.

Lord, help me to love you with full devotion.
