

What is Heaven Like? | Revelation 21:4-27

May 22, 2022

What do people imagine heaven to be like?

Read Revelation 21:4-27.

Why is heaven glorious bliss (verse 4)?

Why is heaven the glorious, final end (verses 5-8)?

Why is heaven the glorious city (verses 9-14)?

Why is heaven God's glorious presence in the holy of holies (verses 15-17)?

Why is heaven glorious light and holiness (verses 22-25)?

Application

Explain each of these five application points:

1. Trusting Christ on earth is the only way to inherit heaven.
2. God is not holding out on you; consider, compare, and stop complaining.
3. Endure this world until God takes us to heaven.
4. Give yourself and your life to others.
5. Love the church.

Our Prayers

When we as Christians are facing persecution, may we fix our eyes on God in heaven and wait for His mercy.

May we pray for those who are sick, unable to have children and are discouraged about being Christians.
