

## What the Church Needs Now– Ephesians 3:14-20

February 13, 2022

When you see a house being renovated, do you keep a running commentary on what you would do?

Fill in the blank: Milwood Baptist Church just needs to \_\_\_\_\_?

### **Read Ephesians 1:3-14**

How many times does *in Christ*, or the equivalent appear in these verses?

Name what we have in Christ from these verses.

In chapters 4-6, what are the practical results of being in Christ?

### **Personal Application**

#### **Read Ephesians 3:14-20**

How does the church get more of Christ from these verses?

How can this happen? How do we get from where we are now to knowing Christ more, having more knowledge of Christ, and living more like Christ?

### **Our Prayers**

May we better understand the immensity of God's holiness, immensity of our sin and the immensity of Christ's love.

Pray for God to grant Christ to dwell in in our hearts so that it is not merely an intellectual knowledge but an understanding in our inner being.

Pray for unbelievers to know Christ even though we think they are beyond Christ.

May our discipleship be about Christ.
