Personal Application

Do we deserve the wrath of God? Explain your answer.

Read verse 15. What event is it describing? How can we 'stay awake'?

Read Romans 5:9

How is this verse a comfort to believers?

Our Prayers

May we stay awake by attending church and life group, reading God's word, being disciplined, discipling others, and reading Christian books on spiritual matters.

May we pray for unbelieving family, neighbors, government leaders to believe and not face the wrath of God.
