

## **What We Do | Acts 2:42**

April 16, 2023

What is the goal of a pragmatic church, and what is the outcome of this goal?

What would the apostle Paul's response be to pragmatism in the church (2 Corinthians 4:2-6)?

When a good experience that's "exciting" is the goal of society, how could this negatively affect the church?

Why is it important to understand these church trends?

### **Read Acts 2:42.**

Define devoted and its importance in this passage.

What is the teaching of the apostles, and how does one devote themselves to the teaching of the apostles?

What is fellowship, and how is one devoted in fellowship?

What is the breaking of bread, and why is devotion to this ordinance important?

How can we as individuals and the church be devoted to prayer?

### **Application**

How do we apply this devotion to our youth ministry, children's ministry, and men and women's ministry?

### **Prayer**

Lord, help me to make my devotion to You my top priority.
