

## Wisdom is the Path to Life | Proverbs 4

July 24, 2022

What are the two ways to live?

**Read Proverb 4:1-5 - The Way to Life Requires Getting Wisdom.**

How do we get wisdom? (verses 1, 2, 4, 5)

**Read Proverbs 4:3, 4 - Keep the Commandment and Live.**

How has disobedience to God's commands destroyed people's lives?

Who is the source of eternal life? Give a verse to support your answer.

**Read Proverbs 4:6-13 - If You Keep Wisdom, She Will Guard Your Life.**

As you read these verses, how does wisdom guard your life?

**Read Proverbs 4:14, 15 - The Wise Thing is to Never Take the First Step Down the Path of Evil.**

How are we tempted to take the first step down the path of evil?

**Read Proverbs 4:16, 17 - Understand Wickedness Never Gets Enough.**

How does sin tempt you, and what happens when you give in?

**Read Proverbs 4:18, 19 - Wisdom Looks Down to the End of the Path.**

When tempted, how often have you considered the long-term results?

**Read Proverbs 4:20-27 - Be Attentive to Your Life.**

What do you think of the quote: 'An unexamined life is not worth living'?

## **Application**

### **Am I living in wisdom?**

Ask yourself this. Write it down. Journal it.

What did my ears hear today?

What did my eyes see?

What is going on in my heart today? Anger? Joy? Hope?

What came out of my mouth today? Why?

Where did my feet go today?

## **Prayer**

Help me to learn wisdom from Your word as I read it daily.

Help me to examine my life and trust Your wisdom when making decisions.
