

# OUR PROGRAMS

## Preschool

We offer two programs in preschool. We offer a 3's program that will help build foundational skills through hands-on, play-based learning. It focuses on phonics, numbers, motor skills, and creativity. Our 4's program is a true Kindergarten readiness program where they will be ready to enter Kindergarten on day one.

## K-4

Our program offers your child a Christ-centered education in an environment where they can feel safe and secure. Our dedicated staff will help your child grow in every part of their development by providing individualized attention. Our small classes (average class size is eight students) allow your child to get the help they need and grow to their God-given potential.

## Middle School

MACS now has a full Middle School program where your child can be challenged with a Christ-centered curriculum, while still being a part of our safe, nurturing setting. We have upgraded our classrooms and resources for the 2025-2026 school year. Our program features subject-based classrooms with a modern Christ-centered curriculum.

## Minerva Area Christian School

Educating with Christian Values

"Start children off on the way they should go, and even when they are old they will not turn from it."  
Proverbs 22:6

A ministry of First Christian Church of Minerva

a ministry of First Christian Church of Minerva

## Our Purpose

Since 1965, Minerva Area Christian School has aimed to provide children with essential academic instruction founded on the Word of God. This focus is the driving force behind our mission:

Educating children for this life and for eternity.

Today, MACS offers a modern Christian approach to educating children ages three through 8th

# "SERVING GREATER MINERVA SINCE 1965"

---

Grade. We hope to help children grow not only academically; but also physically, emotionally, and spiritually. We want to see each child fulfill their highest potential.

## MACS Mission Statement

The Mission of Minerva Area Christian School is to provide a high quality education in a Christ-centered environment where children can grow academically, physically, socially, and spiritually.

## Vision Statement

Minerva Area Christian School will provide a safe, nurturing environment to serve local families with an education that is centered on a Biblical worldview and teaches each individual child about the love that Jesus Christ has for them. MACS welcomes children from all backgrounds and any faith background so long as they can be supportive of our distinctively

Christian approach. We have some scholarship money available and we participate in the EdChoice program in the state of Ohio. Our academic standards are high, but our priority is to help Christian families raise their children in the Lord, no matter what their academic interests and abilities may be. our mission is to provide a high-quality alternative that is not "neutral."
