Our Purpose

Since 1965, the aim of Minerva Area Christian School has been to provide children with essential academic instruction founded on the Word of God. This focus is the driving force behind our mission: Educating children for this life and for eternity.

Today, MACS offers a modern Christian approach to educating children ages three through 8th Grade. We hope to help children grow not only academically; but also physically, emotionally, and spiritually. We want to see each child fulfill their highest potential and make a difference in the world.

MACS Mission Statement

The Mission of Minerva Area Christian Church is to provide a high quality education in a Christ-centered environment where children can grow academically, physically, socially, and spiritually.
