General Description:

Are you ready to make a difference in the lives of young learners while growing in your faith and professional journey? Minerva Area Christian School is seeking a dynamic Middle School Math and Science Teacher for the remainder of the 2026-2027 academic year. As a valued member of our team, you'll have the opportunity to shape the minds and hearts of students in a Christ-centered environment.

Responsibilities:

- Provide leadership and instruction in Science and Technology subjects for grades 5 through 8.
- Create engaging lesson plans that integrate Biblical worldview principles.
- Foster a safe and nurturing classroom environment where students experience Christ's love.
- Implement curriculum, assess student progress, and provide feedback to promote growth.
- Collaborate with colleagues and administration to enhance the educational experience.
- Uphold school policies and values, serving as a positive role model for students.

Qualifications:

- Bachelor's degree from an accredited institution (or in progress) with eligibility for Ohio teacher certification.
- Ability to effectively communicate Biblical principles in Science and Health education.
- Passion for personal spiritual growth and commitment to Christian values.
- Strong interpersonal skills and ability to engage with students, parents, and colleagues.
- Demonstrated organizational abilities and attention to detail.
- Basic computer literacy with proficiency in standard applications.

Benefits:

- Dental, vision, and life insurance
- Professional development opportunities
- Supportive and collaborative work environment
- Opportunities for spiritual growth and community involvement
