

# MARY AND I AND THE CAMEROON DELEGATES ARE HOME FROM THE ALL AFRICA CONFERENCE STYLED "INTO AFRICA", LOADED.

## *Isaiah 49:6*

he says: "It is too small a thing for you to be my servant to restore the tribes of Jacob and bring back those of Israel I have kept. I will also make you a light for the Gentiles, that my salvation may reach to the ends of the earth."

It was an exciting, thrilling, and at the same time a challenging conference. The key highlights for us are;

1. God is constantly on His mission of soul winning. He is committed to seeing the gospel spread INTO the unreached and under reached nations of Cameroon. One cannot be intimate with Him and yet is not intentional about missions. Isaiah 49:6 was the key passage that set the fire on our bones..."I will also make you a light for the Gentiles that you may bring My Salvation to the ends of the earth."
2. The horizon is vast and requires All that we have, are and are becoming in Christ to take the whole gospel INTO all of Cameroon.

This also includes collaboration from fellow navigators across Africa and other Christians/Christian organizations, prayer and financial partners.

With these highlights, we are excited to be more intentional about seeing the gospel spreading INTO all of Cameroon and beyond.

Our collaboration work group which focused on "local labouring" was mind blowing. Some of the Collaboration action plans we came up with include the need to;

1. Disciple the Whole Person by increasing our Training in whole life discipleship. Empower people with skills to improve their livelihood and community.

- 2 Effective follow up of graduates keeps the gospel moving and expanding where God plants them. Provide opportunities for them to network with seasoned laborers in the marketplace. Invest resources in providing good accommodation for staff that can host students in transition as part of preparing them for fruitfulness in the marketplace

The immediate applications for Mary and I include, but are not limited to the following;

1. We are more intentional in establishing a missional community in our home that will focus on living life together, with the mission of reaching out to some destitutes living in a slump in our neighborhood and some teenage athletes who come to our home regularly and play basketball

2. Our energy will be directed towards evangelizing, recruiting and training labourers and leaders with the unreached and under reached nations of Cameroon in view.

Our desire is to ensure that they are intentionally engaging the lost community around them with the gospel.

The Cameroon delegates came home, bottled up with zeal, excitement and a determination to ensure that the ultimate goal of our mission is to see the gospel spreading INTO all of Cameroon.

Thanks for praying and for sending us through your donations. It is an invaluable investment which has an eternal impact. May God reward your partnership and generosity bountifully.
