Discussion Questions:

- Is there anything you learned in this passage that seemed new to you?
- What did his sermon help you to better understand about the original Hebrew audience hearing this message for the first time and the content of their circumstances?
- How have you gained a better understanding of blood and death as a necessary component of the New Covenant that you're part of today?
- Following this message, and others we've heard during our Hebrews series, how have you gained a better understanding of the critical lens we must use when reading the Bible in order to glean true understanding of the passage?

Application Questions:

- Where in our culture do you notice the Old Covenant tendency or perception that the blood shed should happen continually? How do you guard your mind and spirit against these influences?
- When spending time in the word, how could you better apply the them/then lens when reading and understanding scripture?
