

WEEK 4 SERVING

Forgiving Recap

- On Day 14, what did you write on your rocks?
- Who did God brought to mind to show mercy or forgiveness to last week?

Watch Red Letter Challenge Video for Week 4 - Serving

The video mentioned that studies have shown that the greatest need for fulfillment in this world is helping others achieve their potential. Do you agree? Why or why not?

Read 1 Corinthians 12:4-11

- Jesus said, “If anyone forces you to go one mile, go with them two miles” (Matthew 5:41). Explain a time where you have gone the extra mile for someone. What did it mean to him or her? What did it do for you?
- How do you feel God has gifted you to serve in His Kingdom?
- How are you using that gift within the church?
- How do you use that gift outside the church (work, kids’ activities, friends, etc.)?
- How are you currently serving at River Valley? If you’re not, where could your gifts line up with what what you’ve seen God doing at River Valley? (Also, make a plan to talk with a pastor who would be in charge of that.)

Application and Prayer

- Spend some time as a group discussing a way you can serve your community together. Set a date and make a plan for serving together as a group. Make it fun and enjoy serving!
- Pray for God to reveal His specific purpose for each of you to serve both within and outside the church.
