

WEEK 6 GOING

Red Letter Refresh

How were you challenged in giving this past week?

If you were, what intentional changes has God led you to make?

Watch Red Letter Challenge Video for Week 6 - Going

Describe a time when someone else's testimony made an impact on your life?

How often do you talk about how God has changed your life with others?

Read Revelation 12:10-12

What is the importance of the blood of the lamb in v 10 to you? How does the blood of the lamb help you talk about what God has done in your life?

How has God changed your life through the Red Letter Challenge or over the last year?

How could God use your story to change the life of one of your neighbors or your friends?

Split off into groups of 2-4 people and share your testimony. Use these three questions to help you walk through it.

- What was life like before trusting Jesus (initially for salvation or in a certain situation)?
- When and how did you start trusting God?
- How is life different now that you trust God (generally or specific to the situation)?

APPLICATION & PRAYER:

Pray that God would give us a spirit of boldness for sharing our testimonies and pray for people in our lives that don't know Christ yet. Pray for God to bring people to us that need to hear our stories specifically and that God would give us the right words in those scenarios.

Next week, share how God allowed you to use your testimony in the lives of others.
