May 11, 2026

Dear National Honor Society Members and Candidates,

As part of our continued effort to strengthen the mission and standards of the National Honor Society at Nazarene Christian Academy, we are implementing an updated service expectation for both current members and students seeking induction.

Beginning with the 2026-2027 academic year, all students seeking induction into the National Honor Society, as well as current members wishing to remain in good standing, will be required to complete **25 individual service hours each year**. This requirement aligns our chapter with expectations commonly upheld by many other NHS chapters and reflects the NHS pillar of **Service**, one of the four foundational principles of the organization alongside Scholarship, Leadership, and Character.

Service hours must be **completed individually**, meaning students are responsible for actively participating in and contributing to service opportunities rather than simply attending an event. Service hours are to be outside of normal school hours and activities. In addition, **all service activities must be approved and logged through Nazarene Christian Academy** to ensure they meet the standards and mission of our school and the National Honor Society. The required number of service hours must be logged by March 1st.

Students may receive guidance from the NHS sponsor prior to completing and logging service hours if there is any question.

Our goal is to encourage students to grow as servant leaders while making meaningful contributions to our school, churches, and broader community.

If you have any questions regarding this requirement, please feel free to contact the school office or the NHS sponsor.

Sincerely,
Daniel W Sommers
NHS Chapter Advisor
