

Fall Quarter Sunday School Electives September 6 – November 30

“The Engagement Project” Video Series

Arnold Busenitz | Room #11

The Engagement Project is a 10-week group study. The key verse for the study is John 15:8 “By this is my Father glorified, that you bear much fruit.” We will be helped through the study to live out of a systematic biblical worldview to fulfil God’s call for us to be salt and light in the world. As we awaken to the truth of God’s Word it will transform us to engage the world around us through personal relationships. Be prepared to be challenged in your thinking, and ready to reach out to others.

Names of God (Women’s Class)

Janet Plank | Room #12

This fall the Ladies' SS class will do a study entitled "A Glimpse into the Glory: Lessons on the Names of God." God has revealed His character to us through His names. We will carefully look into the events and circumstances that surround the introduction of each name.

Jeremiah 9:23-24 says "Thus says the Lord, 'Let not the wise man boast of his wisdom, and let not the mighty man boast of his might, let not a rich man boast of his riches; but let him who boasts boast of this, that he understand and knows Me, that I am the Lord who exercises lovingkindness, justice and righteousness on earth; for I delight in these things.' declares the Lord."

Our faith and trust in God, as well as the way we view our lives and our world, is directly influenced by our belief about God and His character. As we look each week into the glory and greatness of our God, we anticipate that our trust and confidence in Him will grow, and our lives will be transformed into His image. I am sure that we will only scratch the surface in our quest to know God, but as Matthew Henry has written "we must sit down at the brink and adore it's depths."

Come and See/Basic Bible Doctrines 101

Gary Fair | Room #13

This is quarter 3 of a series of 50 classes that comprise 60 classes in all, that will be studied one at a time each week. These courses will help class members to gain a broad -based overview of critical theological subjects of the Bible. Studied in the progressive topical fashion presented, each lesson contributes toward a biblical foundation essential to the spiritual growth and maturity of the believer in Messiah Yeshua. Each person in class will have to read a manuscript on the Ariel Ministries website and will be provided with a test for each session (no costs). It will take 6-7 quarters to complete. The classes will be from a literal-historical-grammatical and dispensational approach. Each class explores a basic foundational doctrine of the Bible. These are the foundational doctrines that every believer should receive once they have believed in Yeshua for their salvation but seldom receive.

Matthew

Christopher Chase | Room 14

We will study Matthew 19-28 which includes the Judean ministry of Jesus along with the Olivet discourse, crucifixion, and resurrection.

Nehemiah

Joel Busenitz | Overflow

Nehemiah faced opposition from enemies and from those who should have been on his team. He faced spiritual struggles, physical struggles, and emotional struggles. How did he prevail? As we study the life of Nehemiah, we will look for keys to help overcome the difficulties we all face in our own lives.
