Compassionate Care for Plaguing Problems | Room #11

Teacher: Tysin Smith

Life is full of plaguing problems, and we need help to navigate through them and sometimes we need to help others. Everyone experiences suffering and everyone struggles with sin, but we are not left without hope, help, and resources to endure and overcome for God's glory. Come learn with us how God calls and equips every believer to compassionately care for one another through life's plaguing problems with the hope of the gospel, the sufficiency of His Word, and through reliance upon the Holy Spirit.

While this class builds on last quarter, ***no prior attendance is needed***. All are welcome to join.

Women's Class Video Series: "Resolute" Conference: Refuting False Gospels with Biblical Truth. | Room #12

Teachers: Olivia Good & Kathy Valentine

We live in a day where many concerning ideas have infiltrated the church: enneagram numbers, "holy" yoga, the deconstruction of core doctrines, transhumanism, tarot cards, oils, progressive theology to name a few. This video series from an Answers in Genesis women's conference will challenge us to be resolute in our Christian faith and to refute false teachings with biblical truth.

The Epistles of Peter | Room #13

Teacher: Christopher Chase

We will be studying the Books of I & II Peter.

A Biblical Approach to Finances | Room #14

Teacher: Ken Veer

How we handle our finances can have an impact not only on ourselves but will have an influence on our marriage, our children, the church, our testimony to the world and much more. The world has its own philosophy which is often diametrically opposed to God's view. God's Word has much to say about how we should manage the resources He have given us. We'll look at the Bible to attempt to understand key principles about managing, sharing and using money in a way that is pleasing to God.

Hills to Die On: Pillars of the Faith | Overflow

T*eacher: Tim Huxman*

Have you ever considered what the essential doctrines of Christianity are? Maybe this sounds like an impossible task. There are so many branches, denominations, and camps within Christianity, it may seem at times like there is no unifying doctrine that all Christians can agree on. Yet Christians through the ages have wrestled with this question as well. It is because of their concern for rightly adhering to the truth of God's word that we have some of the clearest summaries of Orthodox Christian doctrine.

In this class we will focus on the Nicene Creed and talk about the usefulness of traditional creeds, examine the biblical basis for what the creed states, and discuss how to lovingly interact with brothers and sisters who disagree with us.
