AT HIS FEET

Women's Mini Day Retreat

Saturday, November 14, 9:00-3:00pm, \$20

Life can be busy for a woman! That's what makes this the perfect opportunity to step away from the busyness and enjoy a much-needed day of rest, worship, and refreshment.

Come worship, fellowship, and grow together as we study the lives of people in the Bible who came to sit at Jesus' feet after encountering Him—some for the first time, and others again and again. Together, we'll discover what their encounters with Jesus can teach us about our own journey of faith and what a heart filled with gratitude and love for Him looks like.

And, of course, we'll enjoy **delicious food and meaningful conversation around the table** with our sisters in Christ!

RSVP to northwomen@northbible.com by November 7th. Address and location provided upon registration.

THE NATIVITY STUDY

With Vasanti White

We're all familiar with the nativity scene—that holy night when Jesus was born. We picture the stable, the babe in the manger, Mary and Joseph, the shepherds, and the brilliant star shining overhead. But there is so much more to the story.

Join us as we take a peek behind the curtain of that first Christmas, using the Gospels as our starting point while tracing God's incredible plan throughout the Bible. He was preparing the way for the birth of His Son, weaving together prophecy, history, and redemption into one magnificent story.

Come discover how every detail points to God's great love and faithfulness, leading to the miracle of that holy night—the night that changed the world forever.
