WOMEN'S MINI DAY RETREAT

***Get Out of Your Head* with Jennie Allen**

Led by Sharon Hoshiwara and Kristy Kube

Saturday, March 28, 9:00am to 4:00pm, \$20 (includes lunch)

Hosted at the Home of Noemi McPherson

Are your thoughts holding you captive?

Jennie Allen understands what it's like to spiral in destructive thinking — I'll never be good enough. Other people have better lives than I do. God couldn't really love me. But she also knows we don't have to stay stuck.

In *Get Out of Your Head*, a study through Philippians, Jennie shows us how God has already equipped us with the power to fight and win the war for our minds. Freedom comes when we refuse to be victims of our thoughts and instead submit our minds to Christ. When we do, His promises and goodness begin to transform our emotions, our outlook, and even our circumstances.

It starts in your head — and from there, the possibilities are endless.

Join us as Sharon and Kristy lead this powerful study using Jennie's video teaching, small group discussion, and intentional time for personal reflection. This will be a meaningful day of encouragement, connection, and spiritual renewal.
