Register for child care with Bethany at bbelden@northbible.com.

WOMEN'S BIBLE STUDY Ruth: More Than A Love Story

The Old Testament book of Ruth has been loved and treasured for generations. It is a beautiful story that highlights steadfast love, faithfulness, and devotion.

ADULT BIBLE STUDY Habakkuk

Theme: When life seems to be filled with evil, injustice and confusion, God's followers live by faith and trust in His sovereignty, justice and promises.

Yet this short book offers even more for us to discover.

Join us at North Bible Church for a 5-week study of Ruth. Together, we will walk verse-by-verse through all four chapters using an inductive approach. While Ruth is brief, you will gain a deeper appreciation for God's love, guidance, and provision—and see how her story ultimately points us to Jesus.

Please bring your Bible and something to write with to each class.

To register for this class please email us at northwomen@northbible.com.

Throughout the book of Habakkuk, we see that Babylon is an example of any nation that exalts itself above God and practices injustice, violence, and idolatry. In the end, God reminds Habakkuk and every generation that God will deal with evil. We can continue to love and trust his timing and plan as we remain faithful to him.

Come and check out a simple method to study the Bible using your Bible and relying on the Holy Spirit. Hope you can join us and feel free to invite someone to join you. For more information contact connect@northbible.com.
