

Naperville Presbyterian Church

2024 / 2025 Engagement Infographic

What a joy to see this church body doing “the Lord’s work in the Lord’s way”—believing gospel doctrine and building gospel culture.

The statistics below represent a snapshot of the Lord’s work at NPC over the past year. That work can’t be wholly quantified by numbers, nor are numbers the ultimate goal for ministry, but they can offer a glimpse of the many ways God has been working in and through our church.

Oh give thanks to the LORD, for he is good, for his steadfast love endures forever!
- Psalm 107:1
