

# THE DISCOVER NPC CLASS

## F.A.Q.

### 1. Who is the Discover NPC Class designed for?

The Discover Class is designed for people who are relatively new to NPC and are exploring NPC as a possible church home.

### 2) What does the Discover Class cover?

In Discover NPC, we:

- Talk about the Gospel and our Vision, and Core Values
- Highlight essential elements of our doctrinal beliefs, including the sacraments
- Orient you to the Presbyterian Church in America, church government, and Reformed heritage
- Explore ways you can get involved at NPC

### 3) Why is the Discover Class important?

Discover NPC is structured to help determine if NPC aligns with your church beliefs and expectations. We want to share what we are all about early in your church experience and avoid future surprises for you.

### 4) How is the Discover Class different from Membership?

Discover NPC is an early step in the process of determining if NPC is the right church home for you. Once you've made that decision, our JOIN NPC Class (membership) focuses on what it means to be a member (i.e., the requirements, responsibilities, expectations, and privileges thereof). Because of this distinction, Discover NPC is a prerequisite to the JOIN class.

### 5) Who teaches each class?

The Discover NPC Class is taught by two church officers. The JOIN NPC Class is taught by our pastors.
