

## Transfer from another presbytery in the PCA

If you are a PCA Teaching Elder wishing to transfer into this presbytery, your transfer exam is on “views” pertaining to the following categories:

- A. Christian experience,
- B. Theology,
- C. The Sacraments
- D. Church Government.

You will need to submit the “views” document and schedule a time with the chair to meet with our committee, normally at the stated meeting **approximately two weeks prior to presbytery**.

Ministerial Relations Committee must have your call in hand and approved by them before we can proceed with Oral views exams.
