Jon & Tricia Dunning

standing the Bible, along with the weekly RUF meetings and Bible studies.

The RUF Summer Conference is May 17-22, the week after finals. Please pray for the students who travel to Florida for the conference and for God's blessing on the week's teachings.

Summer for RUF ministers is a time for rest, training and equipping, and fundraising. Pray for the Lord's blessing in these areas for John and the entire RUF Ministry.

Please pray also for the Dunning family with some big milestones ahead! Lucy is graduating from K-Sate and Jack is graduating from high school.

Thank you for being in this with us. Your prayers mean so much!

Jon & Tricia (with children: Lucy, Jack and Thad) serve with Reformed University Fellowship at Kansas State University. RUF aims to introduce college students to Christ, disciple students, equip students for ministry, and connect them with the local church.
