

MISSIONARIES OF THE MONTH:

Quinn & Emily Sloan

Quinn is the Reformed University Fellowship (RUF) campus minister at Kansas University. He and his wife Emily have two children, Peyton (3) and John (1). Here are updates from a recent email:

We are thrilled to receive an intern next school year. Her name is Ronnie and we can't

wait to see how the Lord will use her to impact students on campus.

Our student leadership team has been nourishment to my soul. We meet monthly for dinner, Bible study and planning.

This past semester has been marked by growth—ministry growth, relational growth, and (most importantly) spiritual growth. I've seen this is a number of ways but it is especially encouraging to see a growing desire for evangelism. Most weeks, at our Thursday large group, we had multiple new students, invited by friends.

Prayer Requests:

-Pray for Ronnie as she transitions, fundraises, and prepares for ministry.

-Summer is a time of transition. Pray for the students, Ronnie and the Sloan family—that God would guide our steps,

-Pray that our children would not know a day where they don't trust Jesus as their Lord and Savior.

Thank you for all your prayers and support. God is at work at KU.
