Successful Journaling of your New Testament Journey

Pray for God to give you insight. Don't complicate things, and don't feel you need to write volumes. Record any nagging questions for future inquiry. Consider answering one or more of the questions below. End a written prayer of commitment.

Understanding the Bible

- What do I learn about God?
- What do I learn about people?
- What do I learn about relating to God?
- What do I learn about relating to others?

Applying the Bible

- What does God want me to understand?
- What does God want me to believe?
- What does God want me to desire?
- What does God want me to do?
